

Md Mahed

Android Developer | Java and Flutter Expert

mahedsr420@gmail.com • <https://www.linkedin.com/in/md-mahed-3146a9228/> • Bogura, Bangladesh

Summary

Bringing solid 5-year experience in Android development, aiming to leverage my skills in Java,, and OOP design. Recognized for delivering excellent quality software whilst maintaining up to 99.999% product availability. Looking forward to challenging projects that would stimulate growth and innovation.

1:

An enthusiastic Android Developer, bringing expertise in Java and Flutter to drive innovative app solutions, aligned with the mission of connecting local communities through technology. Mastery in swiftly adapting to new technologies, like Kotlin, and a proven record of collaborative success in streamlining project delivery at Oracle, are highlighted. An avid learner and mentor, dedicated to staying at the forefront of industry trends and advancing team capabilities.

2:

Android Developer professional with 5 years of experience in app development and programming, expert in Java and Flutter. Key achievements include mastering Kotlin within one month and facilitating a 20% improvement in project delivery time at Oracle. Seeking a Make Project position for a local customer, where I bring my app development and programming skills to support your mission of delivering efficient and reliable technology solutions.

Strengths

✓ Adaptive

Quickly adapt to new technologies and platforms, proven by mastering flutter within a month's timeframe.

♥ Analytical

Applied my analytical skills in debugging a persistent app crash issue which had eluded the team for weeks.

🚩 Team Player

Collaborated effectively with a team of 5 developers at Oracle, facilitating a 20% streamlining in project delivery time.

Education

Bango Academy Online course
2019 Start to learn

Bogra, Bangladesh
2019 - 2023

Ostad
Flutter Development

Bogra, Bangladesh
2024 - 2024

Skills

Java · Flutter · Android App Architecture · Restful APIs · Design Patterns and OOP · Continuous Integration/Deployment · Multithreading & Caching · Network Protocols

Certification

Android Development: From Beginner to Advanced — A comprehensive course provided by Bongo Academy that further solidified my knowledge in Android development.

Mastering Flutter for Android Development — An advanced course by Ostad that enabled me to write safer, concise and more expressive code.

Passions

Continuous Learning

I'm passionate about learning new technologies and trends in the software industry to stay a step ahead.

Mentoring

I enjoy sharing my knowledge with others and have volunteered as a mentor for new developers at a local coding boot camp.
